BUSINESS PHILOSOPHY

“Turning idea into product”

Innovative developments and production of Surgical, Dental & Beauty instruments since 1990.

Eight Stars is an internationally operating company in Pakistan & Italy, offering solutions in field of Surgical, Dental & Beauty care instruments. For 35years, we have successfully developed, manufactured and distributed quality products along simultaneously offering reliable services.

Vision

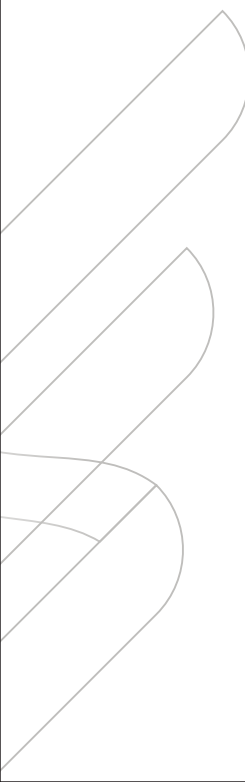

Offering products that are verifiably effective , that is our vision. Our vision always pushes us to develop and offer high quality products of Surgical, Dental & Beauty care instruments, which can be proven to be effective and efficient in their application.

Mission

Our mission is to always improve the quality of life and quality of success of therapies are always our focus. For us, just as for every other business economical success is the basic foundation for fulfilling or mission. This we can only achieve together with the people we work for and with. Our values Clarity, trust, loyalty and respect these are our values.

They have accompanied us since our beginning and will continue to do so in the future.

They are the same which shape our work and our behavior.

OUR COMPLIANCE

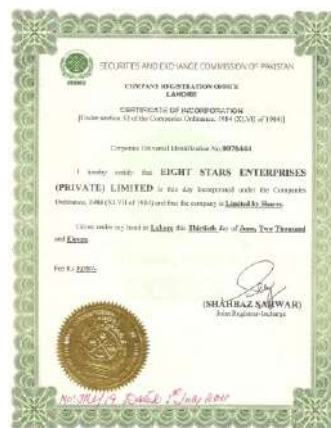

“Meeting Ensuring Global Standards,
Quality Assurance”

Our commitment to quality is reflected in our ISO 9001 and 13485 certifications, CE Mark, and FDA & CFDA registrations.

At Eight Stars, we ensure that our services cater to the global demand for premium quality instruments efficiently manufacturing and delivering products to our clients.

We are proud of our advanced production facilities, which allow us to create custom instruments.

Our global reach and consistent commitment to excellence have made us a trusted name in the field.
